

The Sister Cities International Legacy Society is a group of dedicated individuals who wish to demonstrate their support of the citizen diplomacy movement through a planned gift to Sister Cities International. Legacy members want to honor the role that Sister Cities International has played in their lives and through their bequest wish to ensure that future generations have the same opportunities to develop life-long international relationships.

Each member will receive a Legacy Society pin as a symbol that modestly conveys Sister Cities International's appreciation for your planned gift commitment and is a tangible indication to those around you of your enrollment in the Legacy Society. As a symbol, it unequivocally makes a statement about your belief in the importance of promoting peace through mutual respect, understanding, and cooperation — one individual, one community at a time.

We would be honored to provide you with membership into the Legacy Society if you have:

- Provided for Sister Cities International in your will or trust.
- Designated Sister Cities International as the beneficiary of a qualified retirement plan, savings bond, bank account, or life insurance policy.
- Created a planned gift that returns fixed or flexible income to you or others.
